Palm Beach County Supervisor of Elections Coronavirus Preparedness Update

March 15, 2020

The State of Florida has confirmed that we will have elections this Tuesday, March 17th. The health and safety of our community – including voters, poll workers, and staff – is our top concern. These are the various measures we are taking to address Coronavirus and its effects on the March 17, 2020 elections.

We have made 19 emergency polling place changes. All polling place changes are listed on our website and updated in our online precinct finder. Notices of the temporary polling place changes have been mailed to all voters who have been affected by the change. Voters who have an email address on file will receive an email listing their new polling place. Polling place changes have been published in the Sun-Sentinel and the La Guia newspapers. On-site signs will direct voters to the proper location for voting, and we hope to have a person at each location with directions to the new location. Those who vote in the following precincts have been reassigned:

We are in regular communication with Palm Beach County's Emergency Operations Center, Florida's other Supervisors of Elections, and the FL Division of Elections, and we are following guidelines set forth by the CDC and the Florida Department of Health.

We have gloves, hand sanitizer and sanitizing wipes for our poll workers at all polling locations. In the event of lines, we are encouraging voters to adhere to recommended spatial distancing. We also encourage voters to consider bringing their own stylus and black pen for voting, as well as to wash their hands with soap and water after voting.

We have directed our poll workers and staff to wear gloves, wipe down equipment frequently, to wash their hands thoroughly and often, and to stay home if they are sick.

We have directed polling place clerks to check with their team members and ensure no one works on Election Day who is sick or has been in a Level-3 location (China, Iran, S. Korea, Italy) in the last two weeks.

We are keeping a close eye on Election Day polling place staffing. We have been working with our County partners on training extra staff for Election Day, and are holding another training class on Monday, March 16 at 9 am to train replacement poll workers.

In our offices, our staff is cleaning surfaces, door handles, etc. throughout the day.

"Over-the-counter" Vote-by-Mail ballots can be picked up by voters (or their designees, with a signed affidavit). Our main office will be open on Monday and Tuesday from 8:30 am – 7:00 pm. Our branch offices in Delray, Belle Glade, Palm Beach Gardens and Belle Glade will be open from 8:30 am – 5:00 pm on Monday and Tuesday, March 17, 2020.

We are closely monitoring this situation, and are prepared to change course, if needed. Please check our website at pbcelections.org for the most up to date information.
